September 23, 2016

COMMITTEE ON NATURAL RESOURCES

SUBCOMMITTEE ON
FEDERAL LANDS
SUBCOMMITTEE ON
WATER, POWER AND OCEANS

The Honorable Deborah Lee James
Secretary
United States Air Force
HQ USAF
1670 Air Force Pentagon
Washington, DC 20330-1670

General David Goldfein
Chief of Staff
United States Air Force
HQ USAF
1670 Air Force Pentagon
Washington, DC 20330-1670

Dear Secretary James and General Goldfein,

We write to express our strong support for the designation of Joint Base McGuire-Dix-Lakehurst (JB-MDL) as the Air Force's Main Operating Base 4 (MOB 4) for the KC-46 aerial refueling tanker. As elected officials in communities surrounding JB-MDL we know just how important the Joint Base is to New Jersey.

While JB-MDL would be an excellent candidate due to its strategic location, and robust existing facilities and assets, we would like to focus this letter on the community support for the Joint Base. JB-MDL has a massive economic impact on the local communities. JB-MDL is the second largest employer in the State providing 42,000 jobs with a \$6.9 billion economic impact. The Joint Base is the life blood of the community. Winning the competition to base the KC-46 at JB-MDL is absolutely vital to the future economic health and well-being of our municipalities. This mission will help to maintain and grow the local economy.

We would like to emphasize our engagement with the Joint-Base. Many of our communities have forged strong partnerships with JB-MDL over the years. These partnerships have helped us to strengthen local schools that educate the children of our servicemen and women serving at the Joint Base. These partnerships have also allowed us to identify where future projects may encroach upon the mission of JB-MDL and take corrective action. Many of us even serve the Base as honorary commanders. In fact the Joint Base has named over 70 community leaders honorary commanders. Each commander plays a vital role in connecting local communities with the Joint Base.

Joint Base McGuire-Dix-Lakehurst is an invaluable asset to the defense of the United States, and to the South Jersey community. We value JB-MDL's contributions to the community and are committed to doing everything possible to ensure that it has a prosperous future, right here in South Jersey. We thank you for your consideration of this request, and your continued leadership of the United States Air Force.

Sincerely,

Tom MacArthur,
Member of Congress
